

POWER NEST HOLDING

COMPANY PROFILE

ABOUT US

POWERNEST HOLDING

From Kuwait, The journey began. Kuwait has always been a hub for investment and trade in the region, and from this deep-rooted heritage, POWERNEST Holding Company was launched to continue this path with a modern vision and a long-term strategy.

In addition to other promising sectors, we carefully monitor them according to market shifts and provide continuous strategic guidance to our subsidiaries, enhancing their growth and driving them towards excellence in their fields. We are a holding company that invests in diverse projects from Kuwait to the world.

HOW DO WE WORK?

We direct our smart investments towards companies in which we hold stakes, providing them with funding and expertise to deliver projects in vital and diverse sectors.

Investment in Stocks

We invest in companies with high growth potential and build strategic partnerships that enhance the value of our portfolio.

Real Estate Project Development

We own and develop residential and commercial properties in emerging and stable markets, with the goal of achieving long-term returns.

Renewable Energy

We support innovative projects in the field of green hydrogen and clean energy, leading the shift towards economic and environmental sustainability.

Oil Projects

We are involved in the operation and development of vital petroleum projects, supported by strong local and regional expertise.

Our vision for today's investment is to create a sustainable and prosperous future

At PowerNest Holding, we strive to build a diverse and sustainable investment portfolio that contributes to creating long-term value for our partners and the communities in which we operate.

» Sustainable Growth

Investment based on environmental, social, and governance (ESG) criteria to enhance long-term stability.

» Investment Diversification

Integrating multiple sectors, from finance and real estate to traditional and renewable energy, to reduce risks and increase opportunities.

» Innovation and solutions

Supporting initiatives and projects that rely on modern technologies to maintain our competitiveness.

OUR PARTNERS
